H Janette,

It is okay by me to cancel, I mainly had left today's in case you had any questions coming out of the monthly report submitted with the proposed extra spring sampling list in it. It documented what we discussed during our last meeting so shouldn't be any surprises but wanted to make sure that if there is anything else you need, we get it ready to include in the report in Feb. I can't do 2PM today, but could do tomorrow anytime before 10 or after 12 or next week.

Thanks,

Tasya

Importance: High

Hi Tasya. I just noticed this on my calendar. I have a conflict. I don't have anything to discuss but if you do I could meet at 2 today, sometime tomorrow, or next week.
